## 4th/5th Grade Supply List Fall 2018

Sunnyside Environmental School

### Handy Notes to Know

- I made this list after surveying leftover supplies from last year. I will reach out to families during winter as we run low on needed supplies that I am leaving off of the list (for example, lined paper).
- Everything other than the binder, water bottle, dividers, composition notebook, pocket folders, and spiral notebook are going to be shared, community supplies
- I have a classroom website ([leoslearners.weebly.com](http://leoslearners.weebly.com)), which has a wish list section. Books are the main feature, but as supply needs arise I also post them there.
- I'm asking that students do not bring a pencil pouch, pencil sharpeners, or fidgets from home (I will share more info. about the why of this as school starts).
- It will be handy for your child to bring their supplies on the first or second day of school, as we sort through everything together during those two days.
- Feel free to donate a book to our library from the attached book list
